Brighten your decor any time with custom slipcovers — for your walls

National Post Staff | July 30, 2011 1:47 AM ET

[More from National Post Staff](#)

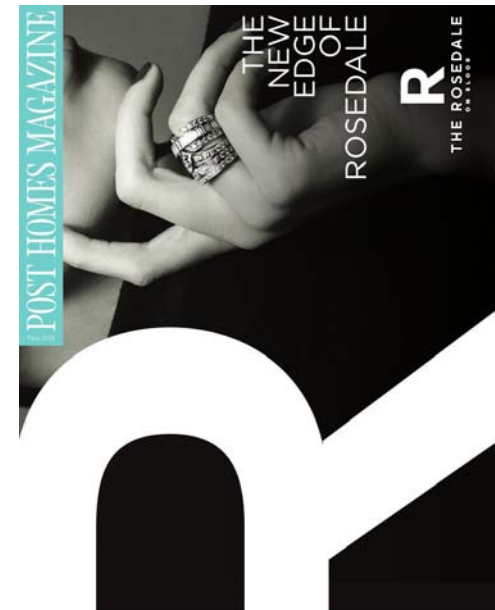

Repositionable, removable and reusable wallcoverings are the newest in the three Rs. Casart Coverings are perfect for people who like a frequent change of setting.

Just like putting a slipcover on your couch, you can change your walls with the season — more often, if you wish. Casart Coverings come in more than 77 designs; one of the newest lines has 10 colours developed with American interior designer Mary Douglas Drysdale.

With such choices as Oushak Orange and Lipstick Plus, you are sure to shake up your

walls. Made from an adhesive vinyl canvas that is thicker and more durable than traditional wallpaper, the Mary Douglas Drysdale line comes in a choice of two finishes — Colorwash and Faux Linen.

More information is available at casartcoverings.com, including a link to a video that shows how to install your new wallcovering.
